Wesley Wildmon

Not only will you be able to learn more about how to use your money to help preserve Godly values, but you'll also be able to ask the financial questions that are on your mind.

This event is being provided as a service to our listeners and supporters. No one will be pressured to participate in any offer or program.

Take advantage of Dan's knowledge. He knows more about finances and the economy from a Christian perspective than anyone I know.

Please pray for the ministry of AFA and AFR. We are engaged in cultural and spiritual war for the survival of our country. So much is at stake. Christians must stick together.

P.S. Wesley will also be giving a brief update on the vital work of AFA and AFR.
